**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to voice my concert about losing the fiber optic internet connection that Sonic has been providing. I live in Sunset district of San Francisco. Before I switched to Sonic, I have been stuck with Comcast. Comcast is a lot more expensive AND they have a data cap. I am very pleased with the service that Sonic has been providing, at the price well below what Comcast would have charged for a slower speed! I work from home and the fast and reasonably priced internet service from Sonic has been very critical for my work as well as my kids' school work.

Realistically speaking, Sonic is the only high speed internet option besides Comcast. Sonic is critical to my daily work activities and I do not wish to lose this.
